

The MitonOptimal adviser portals make every effort to ensure uninterrupted availability and access to our services. However, we cannot guarantee that the portal will always be accessible or function error-free. By using this portal, you agree that:

1. **Service Interruptions:** We may experience interruptions, downtime, or technical failures beyond our control. These may include but are not limited to server crashes, network failures, or maintenance periods.
2. **Data Integrity:** While we strive to maintain the integrity of data stored or transmitted through our portal, we do not guarantee against loss, alteration, or corruption of any data. Portal users take full responsibility for the accuracy of data inputted into the systems available.
3. **Limitation of Liability:** MitonOptimal shall not be held liable for any direct, indirect, incidental, consequential, or exemplary damages arising from the use or inability to use our portal, including but not limited to lost profits, business interruption, or loss of data.
4. **Third-Party Services:** Some features of our portal may rely on third-party services or platforms. MitonOptimal disclaims any responsibility for the availability, reliability, or performance of these third-party services.
5. **Security:** While we implement security measures to protect your data, we cannot guarantee that our portal will be free from unauthorized access or breaches.
6. **Changes to Service:** MitonOptimal reserves the right to modify, suspend, or discontinue any part of the portal at any time without prior notice.
7. **User Responsibilities:** Users are responsible for ensuring the compatibility of their own systems and equipment with our portal. They are also responsible for taking appropriate measures to protect against malware, viruses, or other harmful components.

By accessing or using the MitonOptimal adviser portal, you acknowledge and agree to these terms and conditions. This disclaimer shall be governed by and construed in accordance with the laws of South Africa.
